Dear Richard Tomalin

Thank you for your registering an interest in Volunteer Drivers which the Volunteer Centre advertised on Do-it.org on behalf of the recruiting organisation Brackley Area Volunteer Car Service.

Please find enclosed further information about the opportunity, including details of how to contact the organisation. Please feel free to get in touch with the recruiter direct, who will arrange a time to meet with you to take your application further.

Please let us know how you get on and whether you start volunteering for the organisation, so we can update our records and your Do-it dashboard. If this opportunity does not work out for you, do come back to us and we can help you find something else.

Good luck and best wishes

Volunteer Centre
